**Hospitals & Institutions:** My name is Kathleen and H and I is going well. We have been asked to get some more literature, so I am looking to find out which literature we will get. We have had reports of women giving out their phone numbers. So we have been encouraging women to share with them their home group or which groups they attend and assure them when they get there they can and will get our numbers. Thanks, IIs Kathleen.

- Kathleen is planning to have an H&I orientation. Figuring out time and place to have to have it.

**Activities & Fundraising:** NOT APPLICABLE

**Public Relations:** Hi family, I am an addict called Matt. The website and phone line are up and running well. I spoke with Sean about logins for the technical services for the website and phone line and I sent all of the logins to our Area's email account. Sean wants to switch the billing of services away from his personal credit card as he is no longer a part of our Area. The services require a credit card and cannot be withdrawn from a bank account. I am willing to use my personal credit card to pay for the services and have Area reimburse me. The service charges are as follows: Twilio Phone Provider \$5-10 monthly. Digital Ocean hosting \$6 monthly. Name Cheap Domain Name \$15.16 yearly. I will make the changes to the credit card after Area if approved. I will ask for reimbursement after charges have been made. ILS Matt B. Chairperson.

- No one was opposed to having the billing switched over.

**Mailbox Report:** PO Box 291, Covington, La. 70434. Last checked by Rock H. Mailbox was locked, renewed and have 2 new keys. All mail was returned since box was locked for six months. Due 03/31/2022
